

RS 110

Wireless Sound
experience

The RS 110 is the ideal entry into Sennheiser's wireless world of headphones. With the RS 110, you can easily enjoy the sound of your Hi-Fi system or TV without being tied down by a cable.

- Open-Aire™, supraural wireless Stereo-RF headphone system
- Detailed warm sound reproduction with strong bass response
- Wireless freedom of sound (reception through walls and ceilings)
- For Hi-Fi and TV use
- Very lightweight headphones are extremely comfortable to wear
- Replaceable parts for long service life
- AAA batteries included
- 2-year warranty
